Halkyn score event results. 11 July 2007

Mainly the usual culprits turned up for this traditional terminator to the summer series. There were one or two new faces and I hope they enjoyed the challenge as Halkyn seemed to live up to its reputation for complexity. Some good efforts but no one achieved a full card on an evening that was both cool and dry - ideal for running.

The Smithards achieved a family 1-2 with young legs beating low cunning (sorry, mature decision making) on this occasion.

Thanks to Bob for organising, Robin for printing the maps and Rachel for calculating and compiling the results. Some of you lost points for mispunches - oh its hard.

I hope you all enjoyed yourselves and the holes in your legs have begun to heal. See you all again next year?
