Organiser/Planner/SI Coordinator's Comments (Jon Hateley)

Blimey ... over 80 competitors at a NW night league event! I've been to quieter badge events. Hope everybody enjoyed their runs around Bickerton and saw the odd firework through the murk.

I am grateful to Sue and Noel et al of the NW Junior Squad for all their helpful pre-entry work, and the 'Autodownload for Numpties' training course provided by Bob Elmes. Thanks also to helpers Iain, Darren and Elaine, and Ranger Dave Morris of the National Trust. Their efforts meant the creaky event organisation just about kept its head above water.
