

## **A Note from the Galoppenmeister**

The final Summer League positions are now available.

Note that the Norwegian courses at Brereton have been treated as Blue and Green courses.

The positions only include those members of Deeside and affiliated schools who have finished at least three events this season. However, scores at each event have always been worked out based on the best Deeside competitor's time in any given category, even if that person only runs in one event. Thus in the final positions you will note that for some classes at some events no competitor has achieved 100 points.

If anyone has any queries or wishes to point out mistakes, please contact me before the AGM, so that the trophies go to the right people.

The trophies will be presented at the Deeside AGM.

Peter Hills
