*You must adhere to the latest Government and British Orienteering Guidance which includes maintaining social distancing and respecting other users of the facilities and in urban areas. Slow down and give way to others where necessary to abide by these guidances.*

*This MapRun course is not an organised event or activity, so you are not covered by British Orienteering's insurance. You do the Challenge as an individual for personal training and you are responsible for both your own safety and the safety of others around you.*
