

DEESIDE OC CLUB CHAMPIONSHIPS – Saturday 24th October 2026

Little Budworth Common - Initial Details

Entries and Maps

The event is for Deeside members only (plus anyone who has done our double sprints or recent events and may intend to join DEE and British Orienteering; non-comp obviously for trophies). There is no entry fee for event or social.

If you wish to enter, email [Mike Smithard](#) with your name and age class and whether you are coming for lunch afterwards (and any allergies) **OR** preferably, fill in form at Enquiries at Raven Meols event. Please let us know by Wednesday 21st so we can print the maps and organise food etc. even if not certain. Then you have to register on the day by dibbing your Sicard before you run at Assembly as below. Whilst bracken appears to be wide spread at this time of year, it is mostly light and easily run through.

As this is the club championships to find the best on-the-day competitor in each trophy class, you can only run your correct age class (unless you wish to run a shorter course).

Parking From 0930 at the Jubilee Hall, Booth Avenue, Little Budworth (as 2025 Turkey Trot social, on Google maps). If full, park on adjacent roads. Hall should be open by about 11am tbc (toilets). Then walk/run to Assembly area, 500m westwards from hall, then path through woods on right to car park. If you wish split starts or have juniors under the age of 11, contact Mike to discuss options.

Assembly area is in the Common's car park near the south end of Coach Road. Please do not park here. Toilets here also, normally open.

Social from 1130, lunch from 12.15 at the Jubilee Village Hall.. Thanks to Ruth and Duncan Harris for organising the food and drinks.

Courses will be of Middle lengths (winning times 30-35mins) so we can all get to the free lunch in reasonable time! and I/we/you can get the controls in before the food runs out. Please can 3 people who can still run around all day volunteer to control collect? Thanks.

Organiser – Mike Smithard, Planner – John Brammer, Checker - Mike Smithard

Awards for M70+, M55-65, M20-50, M14/18, M12-, W55+, W20-50, W14/18, W12-
Age class factors will be applied.

Course A – approx. 5.3km – M20-50, M55-65

Course B – approx. 4.0km – W20-50, W55+, M70+, M14-18, shorter course for above age classes if you wish.

Course C – approx. 2.7km – W14-18 (orange/light green), shorter course for those who want it.

Course D – 2.2km – W12-, M12- (yellow)

Courses and classes for juniors will be re-evaluated up or down once entries are in and any appropriate amendments made.

Starts 1045 to 1130. Courses close 12.30pm so please start at appropriate time for this.

Expected winning times on A-C 30-35 min.

SIAir enabled but you have to punch start and finish.

Map has been updated for this event. If path symbols don't join at junctions, it means that the junction is not obvious.
